To Whom It May Concern,

Joel Tremblay worked for me as a basketball coach at St. Michaels University School in 2007-2008. He coached the grade 4 & 5 boys Night League Basketball Team.

Joel worked well with the kids and showed great passion as a coach and teacher. He provided a clear direction for the students and facilitated success in their personal and team oriented goals. Joel has approached each of his commitments at the school with a high level of dedication, energy and competence.

In summary, I recommend Joel for any position or endeavor that he may seek to pursue.
